

2<sup>nd</sup> July 2010

**To the Parents of Children in Class 10**

Dear Parents

**11 + Examination**

County Hall is operating an on-line registration system this year. They will contact each of you during the summer holidays and tell you how this works and what you should do.

Your application must be made before 3<sup>rd</sup> September 2010.

When we return to school on Wednesday 8<sup>th</sup> September, we will check that you have all registered on-line, but it would be very helpful to us if you could email us at [info@mkps.co.uk](mailto:info@mkps.co.uk), at the time you make your application, as confirmation that you have registered.

Yours sincerely

HILARY PAULEY  
HEADMISTRESS
