

18th May 2010

Dear Parents

Overnight Camp at The Farm

We are considering organising an overnight camp at The Farm on Friday 24th September, for our present class 7 children.

They will sleep on the lawn there, in 2 tents which will be provided by school; one for boys and one for girls. Staff will sleep in 2 tents positioned by the children's tent doorways.

We will take the children to The Farm after school and then we will have a camp fire, barbecue and activities in the evening.

The children will require their own sleep mat, sleeping bag and pillow, plastic bowl, plate and mug and their own set of cutlery.

Collection will be from The Farm on Saturday 25th September at 9am.

In order to decide whether to go ahead with this idea, if you are interested in your child taking part in this camp, please complete and return the slip below by Friday 28th May 2010.

Yours sincerely

HILARY PAULEY

Camp at The Farm Friday 24th September 2010

Name of Child Present Class

I am interested in a place on the camp for my child.
